# ABOUT US

*"It is not enough to be compassionate, you must act."*

Being a young and vibrant festival, MIT- Aarohan makes it a point to target the youth with social issues. With initiatives such as blood-donation drive, interaction with old age home, a free classical concert for old age home , tree plantation, education for all and library initiative, we consider this as our responsibility towards the betterment of the society.

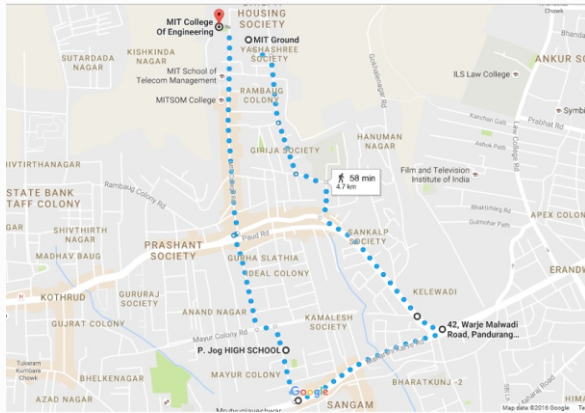

There's no ceiling ....  
Just a continuation of improvement.

So, this year with 'Run for a Cause', MIT-Aarohan is organizing a marathon to create awareness about 'child education'.

*"After all no matter where you are from, your dreams are valid"*
